

## **General information about the competition on transnational cooperation**

**Voivodship Labour Office in Poznan (wielkopolskie voivodship)** has announced a restricted call no 1/POKL/6/E1.1/11 for projects with a **transnational component** in the **Human Capital Operational Programme**, within **Priority Axis VI The Labour market open for all, Measure 6.1 Improvement of access to employment and support for professional activity in the region, Sub-measure 6.1.1 Support for the unemployed on the regional labour market.**

The period for the submission of the proposals is from **30<sup>th</sup> September till 31<sup>st</sup> October 2011** (3.30 pm).

The minimal budget for a project is: **50 000 PLN.**

The following **types of operations** (projects) are envisaged:

- assessment of needs of people without employment, inter alia, including by means of Individual Action Plans, Assessment of the training needs and possibilities of professional improvement in the region,
- delivery of workshops and trainings in the scope of methods of seeking jobs and acquiring key competences,
- psychological and advisory support for persons entering the labour market or returning to it,
- implementation of programmes of professional activation covering one or several of the following forms of support:
  - job agency and/or professional advisory,
  - professional internships/traineeships,
  - trainings leading to increasing, complementing or modifying professional qualifications,
  - subsidising employment,
- support for voluntary work as a stage preparing for taking up employment, inter alia, by ensuring training and advisory support for the volunteer.

The scope of transnational cooperation is as follows: must be in line with the thematic scope of the project and cover the following **forms of cooperation**, i.e.

- organisation of conferences, seminars, workshops and meetings,
- research and analysis activities,
- preparation, translation and publication of studies and reports,
- adaptation of solutions developed in another country,
- consulting, exchange of workers, placements and study visits,
- development of new solutions.

The contact for the more detailed information on the call: **tel. (48) 61 846 38 41, (48) 61 846 38 23**, documentation has been available at website [www.efs.wup.poznan.pl](http://www.efs.wup.poznan.pl) since 30<sup>th</sup> September 2011.

According to the above mentioned data, **we would kindly ask you to send to all interested parties and place on your web site, about relevant calls in your Member States and their timescale, in order to build up common transnational activities between these projects. Moreover, in order to ease the matching process of potential partners at later stage, we would appreciate if you could ask your project promoters to fill in and sent to us in return on e-mail addresses:**
