Clarification on documentation for participation in an open call procedure for submission of project proposals with the following subject: “Evaluation of the achievement of operation “Improving the flexibility and adaptability of the labour market by means of activities jointly undertaken by the social partners” under Priority Axis 2 of the Human Resources Development Operational Programme for the period 2009 – 2012”.

Question:

1. Is it possible to provide preliminary detailed information concerning the concluded Contracts with the social partners, containing :

- Purpose of each Contract;
- The provided specific activities in the Contracts of each social partner within the project;
- Target integrity (specific companies) among which each social partner has held or been holding the provided activities in the Contracts.

Answer:

You can find additional detailed information concerning the Contracts with the social partners in the public register of UNIFIED MANAGEMENT INFORMATION SYSTEM FOR THE EU STRUCTURAL INSTRUMENTS IN BULGARIA at the following Internet address:
